Mentor Update

This workshop provides an annual update necessary to retain the role as an identified practice assessor on the register of assessors held by Anglia Ruskin University and the University of Essex.

This update is suitable for those who have previously completed the ENB 997/998, Mentorship in Public Health and other similar courses.

Please book your place if you work in General Practice and require a mentor update.

**Tuesday 23 May 2017
9.30–12.30pm**

Workshop content:

- Discussion of student issues and experiences
- What is required for a 'Triennial Review'?
- An opportunity to have your questions answered
- Mentor sign off training

For more information about the course content, please contact Wendy Rajah, Course Lead at wrajah@essex.ac.uk
